

“Let’s Learn Mandarin Chinese with Miss Panda!” Audio CD Learning Guide – Lyrics and Translation

- Audio CD lyrics are given in Pinyin, traditional Chinese characters and simplified Chinese characters. An English translation is also provided for full comprehension.
- Lyrics/translation are provided in the following order:
 - 1st line - English Translation
 - 2nd line - [Pinyin](#)
 - 3rd line - Traditional Chinese characters
 - 4th line - Simplified Chinese characters

Note 1: Pinyin (“Hanyu Pinyin”) is the most widely used system for the romanization of Mandarin Chinese.

Note 2: Many of the characters found in the simplified Chinese system now used in China remain the same as the traditional Chinese characters. In other words, not all Chinese characters have been transformed into a simplified version.
